

that Mr. Chen ought not to give a direction about
the personal property. I think you had better write
to Mr. Chen (as he ^{wants} the property sold) and say to
him give up your ^{name} as Administrator, to Mr. Allen
you, or someone else, and I will cheerfully resign
in fav. of any one but him, but this is no time to
tell what will become of the wheat crop if the
land is not sold. I set off ~~to go~~ and see you today
but found the ride would be too long for me.
If I am well enough I will go up next week.

I am very Respectfully,
Yours
Thos. Hemmels

P.S. Mr. W. H. Telfordman has seen you
when he says Mr. N. Goldsborough did not say
a word to him on the subject you mentioned, he
is perfectly willing that the Judge should act
for us
