

D^r Sir

Balt. Sept. 24: 1829

yours by Capt Dawson I rec^d
this morning and have deposited as requested
\$326.90^{cs} to your Credit in the Bank of
Maryland - Capt Dawson took the Sales with
him - and as I entered yours and his wheat
together in my Sales book - I never know
the weight or quantity of yours, as I would
again give you the Sales of it - his wheat
and yours sold at the same price 97^{cs} a B^r -
the wheat was good, but had much garlic
in it - no doubt Capt Dawson gave the
Sales to your Overseer - and he ought to
have sent it to you - at present he
best B^r is worth 95 to 97^{cs} - where
100 to 106^{cs} of clear off garlic - and
42 to 43^{cs} -

yours respectfully
J^r Barrow
