

last year I wrote to Wm. Rawles Esq.  
(and asked for information on several  
points with regard to the Estates and have  
never received an answer to my enquiring -

I saw you for so short a time at the  
Landing that I had not time to ask you  
have the sale progressed after we left  
you at the Forest, how the negro's were  
disposed of & the whole amount of sales -

Do you know if W. J. Hensley has returned  
an account to the Orphans Court of Lewis  
County of his proceedings so far as he went  
in his administration? - I am one of  
his securities & should like to have the account  
closed & be released from the responsibility -  
We are all well & write in best regards to you  
& family -  
Respectfully yrs -  
Wm. H. Fitzhugh
