acceptable — You will of course permit me to hear from you by the earliest possible opportunity that I may write to the Mr Barrolls who may have the superintendence and charge of the Business on behalf of my Sisters

Benjamin Chew

Dear Sir

I was on the point of writing to you when I received a letter to you on my father's table which he told me I had space for any line — I want you to be so good as to make out a statement of the persons from whom you received the money you paid me, which I find is necessary to the regularity of my accounts — I think I requested you to receive the sum That Hemsley was to pay over from what he collected during his contest about the Executorship — Has this money been paid? — if not it ought to be immediately secured in some way — I am glad to learn from my father that he has induced the ladies in Walnut Street to meet your views —

With much regard

B. Chew Jr.
