Boston Jan 10th 1837

Had a letter from Mr Chow Esq dated
 20th Sept last but the want of in my ju-
 -rily has prevented me from alluding up
 to it before this present time, he mentions
 that you have failed to comply with your
 engagements which was to have paid
 \$1000 in July last \$1000 next July &
 and that you had written him that you
 had been in Baltimore endeavoring to
 get the money and had offered to mortgage
 unencumbered property to the sum the
 amount but with no effect you elude
 the motions that as you had offered such
 a mortgage in Baltimore that had
 evidently rejected his sister would
 insist upon your giving the same to
 some one else to hold as that the
 property should be and returned and
 land must be sold on a point Esq
 now my friend as I stand as a friend
 to both parties had with you to satisfy
 Mr Chow and leave the business what
 has been really doubtful and dis-
 -agreeable to me adjusted to their terms
 -venture to please to let me hear from
 you

Respectfully yours
