

Col. Litchman July 13, 1832
Dear Sir,

I send my sons
Christopher & William to enter
your school. You will please
have the goodness to take charge
of them & manage them as
you see, while under your
direction. Both of them
know me, little - owing to
my having had them at work for
several years.

Very respectfully
Your Obedt. Servant

J. W. Dudley
