

Charter 17 May '32

Sir

I was requested by some one during the Court to inform him whether I had placed Fees for collection in the hands of the late Sheriff Robinson. My recollection is that it was Cap.^t Story who made the enquiry and if he is either Ad^r or Sec^y it is probable he is the man. Oblige me by telling him that on examination I find his receipt dated ----- 1828 for a list of Fees amounting to \$ 210 $\frac{33}{100}$. If Cap.^t Story should not be the person who enquired oblige me by giving the information to the Ad^r of Mr. Robinson or other person having charge of his business as late Sheriff. Cap.^t Wickes will furnish a copy of the List on request.

P.S. Please ask Mr. Ashcom if I am to get any thing for the Roberts Fee list
