

Aug 10th 1833

Dear Brother

I have only time to say
that I have put on Board Dawson a
letter from you from Ann. I can not
let this opportunity pass without saying
that to my latest hour I shall remember
you more than kindred. I may be the
order all things for Ann. I love you and
your good want & the ends of this
world with love to Sister and all

Yours sincerely

James
