20 May. 36.

This will be handed you my dear Sir, by my brother in law Mr Lea, who has kindly undertaken to act as our agent in Miss P's (and if the arrangement meets yr views), ~~and~~ visit you ~~to~~ in order to adjust the papers, and obtain the necessary information relative to the general situation of the property &c.

— Letter from Judge Bruce to Mr Telfer man will show you that he heartily concurs in the proposed plan and I earnestly hope the Lady will throw no obstacle in our path, which now seems to be very fair & fraught with better hopes than hitherto — I need not say that we have an intelligent & active friend in Mr Lea — you will appreciate him I am very sure —

Give aff^l love to Sister & excuse this hurried page. I leave all minutiae to Mr Lea & myself — aff^l & truly yrs
Wm C Telfer
