

County Commissioners Office.

Wanton, Feb. 1846

Dear Sir. In reply to your note, I herewith
send you the following statement. In regard
to the interest I am unable to inform you. The
Act of Assembly classifying the payments of
State Taxes has provided for interest in certain
contingencies; but as we have no collector
for any year but that of 1845, I am unable
to answer your question definitely. I hope
the following will be satisfactory.

Respectfully Yours &c.

B. W. Sherris Clerk
