My dear Sir,

I wrote last night to F. S. Hunt, Jackson, Mi.
to sell the Honey Island Land, and the House in town (held by me as
security for Pnyor Sea's debt on afe of Meyers & Co), & to remit the
proceeds to you, as soon as the necessary processes can be gone
through. I am determined to make a close of this business
without delay, even though I may not get one dollar more
than is due to you as Trustee &c.

With much consideration regard,

I am very truly, Yr. friend & Servt.
