

Mr. Felghman Sir - The cart having to go up  
gives a chance of writing a few lines. I have collected the  
greatest part of the money for the hire of the hands as  
as get done I will carry it to the Bank as you directed.

Mr. Bruff says there is a balance due him for wheat  
says the wheat is for 1.25 in Ball I have <sup>not</sup> ~~only~~ <sup>only</sup>  
money from ~~to~~ you can say if the balance for the wheat  
as claimed by him is to be deducted from Bills him Perry & Busby  
paid me \$10.00 he says he was at an expense of about  
5.00 by the birth and Death of Margarets child. he  
wishes to know <sup>on</sup> what terms you <sup>will</sup> sell Margaret as he will  
try and make some arrangement to buy her.

There is a small acct at Mrs Adams for two hats and  
some butcher knives you wrote to <sup>me</sup> last winter to pay that  
out of Margarets wages but I did not get it till late  
in October and it was neglected. Perre says he got no  
hat when Mr ~~Perre~~ told him and would like to have  
one now you ~~ate~~ <sup>ate</sup> for a deduction of 2.50 to made to  
Mr Caulk on Harrets wages the list you left dont  
say what her wages <sup>for next year</sup> is ~~is~~ <sup>is</sup> ~~very~~ <sup>very</sup> small at this

with a severe cold and Fever
