

Dr Sir

Chicester - Town Nov 23 1835

On Thursday last I returned from
the country which will account to you for my
silence since the receipt of the check - rec^d by
Mr Eccleston - amt one hundred & sixty six Dollars
for which I am very much obliged, to you -
it enabled me in part to return the money borrow-
ed from Geo^l Chambers - and as there is yet a
balance due him, I should be glad to get the
amt due me on last year - here, to pay him in full
and the balance will assist in paying for my Pork -
which I understand will be very high, necessity
obliges me to ask for this amt - if in hand -
and if it will put you to no inconvenience to pay
it, & so soon as may be convenient, I would be
glad to hear from you - as I wish to have funds in
hand to pay for my Pork - be pleased to com-
-ber us - most affly - to Mrs. Tylhman & family -
& we hope sincerely that Catherine has recovered
her
health -

I am ever very truly
y^r
H. Tylhman -
