

Received Jan: 4th 1853 of Col John Pilgman
the sum of thirteen hundred and twenty six dol-
lars in full of his single bill to me (principal and
interest) bearing date on the 27th day of March 1851
and for \$1250 and payable on the 1st of Jan 1853, &
which together with a single bill for a like amount
payable on the 1st of Jan 1852, and which has been
paid, was secured by a mortgage from the said
John Pilgman to me dated 27th March 1851
and on the "Plain Dealing" farm which on the
said 27th of March 1851 I had conveyed by deed, duly
executed acknowledged and recorded, to the
said John Pilgman. The receipt therefore
of the sum of money just above mentioned is
in full of the principal and interest of the above
said mortgage on the Plain Dealing farm, and
I hereby bind myself at an early day to execute a
release of the said mortgage.
