I in I send to you the boots which you ordered which I think will suit you well I have made them a little wider in the toes as I think you will like the better I also send you a bill as I have to settle up all my accounts at Christmas and shall be very much obliged to you if you can conveniently let me have the amt with a deduction of one dollar on the bill it will oblige me it is more than I can afford but at this time it will be an advantage to me as May is my season & I must make it up to make my payments as I have been disappointed in receiving a claim of \$950 = and I fear very much that I shall lose it entirely as I have very little hope now this throws me very much back this is the only reason that I send this bill

Respectfully yr. Jas Dunne
