Dr Sir, Above you will please find the Am't of your Acct: On the 1st of June 1857, Mr Vallant my partner up to that ^{time}, withdrew from the firm. In doing so the books and stock were sold to me by my assumption of the obligations of the business. You will then for perceive that the above is drawn up in my name.

As per request the above was sent to you ~~some~~ ^{or mislaid} ~~than~~ a year ago, but presume that you never received it, and from the diminutiveness of it that it has never occurred to your recollection.

Very Truly Yours

R. H. Adams
