 Balance Due Ch. F

Sir;
 I have taken the liberty of deduc-
 ting my medical Bill against you
 for attention to two servants, one at
 the "Cabin" and the other in town: also
 the hire of a woman during Mary's
 confinement. I hope this is correct &
 satisfactory. I send the Balance due
 you \$40.00. I desire to retain your
 man & woman in my service for the
 present year, with your permission
