

I feel very uneasy about it - You shall
be informed the moment it comes &
I hope it may be in time to relieve
the pressure you now feel - I am
afraid I shall lose the chance of
the house I am in if it is delay-
ed much longer

Aff' love to Sister - Tell Mary
we are ~~much~~ as well as she. Aff'
w- Ann^{er} yet we feel but better
this morn^g - a kiss to Anne who
I hope is an obedient good child

Yours
