

& Baltimore led on each other. It is gratifying
to believe that this view is universally
except in Montgomery Worcester & some
Counties. These counties never will

me for my efforts, humble as they be
~~never will~~, while they remain as
the true interests of Maryland, & for
elsewhere than in Baltimore.

I have harshly thrown out the ^{above} ~~the~~
the tariff, well knowing that if they
founded there is no one who can
them more justly & use them more
:tacious than yourself. When you
ask your pamphlet which I hope will
very soon I will go to send me
copies, for which it will give me pleasure
to forward the pay, if you will inform
of the amount.

You may tell our friends in the City that
we now have sufficient strength in the
County to carry on whole tickets &
do not do it, it will be because
people will not all turn out. If
not properly organized & disciplined
to believe there is as little as the
enemy.
