Col John Tilghman

Dear Sir

You will be doing me
a great kindness if you will use your influence with
your son Mr James Tilghman and persuade him to pay
or join him in paying his and your joint Note for \$500
with interest agreed to be paid thereon since the 28th
of August 1854 agreed to be paid semi annually - not
a cent of which I have received - I have written to Mr
Tilghman several times begging him to pay me the interest
if he could not at that time pay off the Note but have
received no answer or any notice taken of my letters
I must now acknowledge my sense of your kindness
in paying me your Note last fall - it relieved me
from much embarrassment and did me a real kindness
for which ^{pleasure} accept my thanks -

Yours very Sincerely
M. J. Browne
