

Dec 24th 1850

There was a check in favor of
M. E. Brown on Banks of Baltimore
which I have sent this day to
Messrs and the note of E. T. & J. P. in
to Doct Wilson & assigned to Messrs
Dear Lloyd Ed Wiley

But for the late fog
that retarded our boat getting in
you would have received the amount
I have anticipated the payment for
short time - he will refund me out of the next
load of corn - My fingers were so considerably
impaired by the fall of a heavy window I can scarcely
write - sincerely & affectionately
John P. ...
