

Buxton Dec 20. 1852

Dear Sir

In reply to your inquiry about the division of the land made by Mr. Gilghman & myself, we gave you as near as we could come at it - without a survey, two acres to ~~you~~ brother's son, & at the same time thinking that there might be some five or two acres more given to one or the other we could not tell which - we did so because the part which you had was not so good & had no houses on it -

Most Respectfully Yours

E. J. M. Forman Esq. Jas. H. Millson
