Dear Sir

On my way through Belton a short
time since Mr. W. Williamson spoke to me
on the subject of the claim he had against
you and which I thought was settled.

Upon reference to the note I find it was for
\$91⁰⁷/₁₀₀ with intⁿ from 14 Decr. 1825. The only
credit entered on my book is the payment
of \$100. If any thing has been done or paid
in reference to it since, it has escaped
my recollection. Let me hear from you.

Yrs. E. F. Chamber

Col. J. Tilghman
