

Col. Tilykman

D. Sir

I have just rec^d. your
favor enclosing me a check for
\$30:00 for which you will please
receive my most grateful acknow-
ledgements. I requested Mr. Emery
this morning to tell you I wished
your account to be deducted. I had
determined not to call on you but
having failed to get some money
I certainly calculated upon, I found
it obligatory to call on all whom
I thought it probable I might get
it in haste

I am yr most res^{tly}

W. H. Emery
