

Col. Mr. Fitchman,

Doston 21 Jan'y. 1842

Dear Sir,

On the first page you will receive a hurried statement of my claim as requested as assignee of Alexander Hensley showing the balance that will be due the 1 March next, which I believe you will find correct.

You will perceive that I have united the two claims to save separate calculations, which would produce the same total result.

I hope you may be enabled to satisfy all the claims by the time specified.

Yrs very affly
in haste

W. H. Fitch
