10 Antimonial Powders	19
3 Lemons	25
	<hr/>
	\$0 87 1/2

Received payment

Thos. H. Dawson

By the servant I send the above articles agreeably to your request.

The Antimonial Powders contain the usual quantity for the age you mention, one to be taken every 3 hours in a little syrup or jilly, until they have the desired effect, unless they should affect the stomach or bowels, in that case they must be discontinued.

Respectfully
your friend

Thos. H. Dawson
