

well as anybody, so if you will prepare the article and ~~send it to me~~ on the lines of those you see in the Sun, and send it to me the end will be accomplished.

Should you send it and not see the matter in print for a long time don't get weary. I have had the first article in type ~~now~~ about three weeks without getting it in the paper. It will get in eventually.

Yours Truly

Samuel C. Appleby

By the way, when you have races down there send brief accounts of them. In the matter you wrote early in the Spring you gave a date for the races but we never heard whether they were trolled or not.
