The Best and Cheapest Family Newspaper in the World.
Circulates in every State and Territory of the United States.

TERMS OF ADVERTISING—CASH IN ADVANCE—One Square,
(five lines or less,) one dollar for each insertion, and twenty
cents for each additional line each insertion.

The above prices are far less in proportion to the circula-
tion, the main element of value in advertising, than those
of any other daily paper in the city, or the world.

For the entire edition of "The Sun," notices must be sent in before 7 o'clock P. M.

We do not insure the insertion of any advertisement on any specified day or days, nor do we insure the number of inser-
tions within the time required by the advertiser. Advertisements will, however, have their full number of insertions when
the time can be made up, but when accidentally left out and the number of insertions cannot be given, the money paid for the
omitted insertions will be returned to the advertiser.
