

it was too much for her
to undertake. Her pin waits
to be sent away - whenever she
wants it. Do you keep warm
the kitchen fire is all we keep
down stairs - more coal is provi-
ded - in my room I have a wood
stove and an oil stove - and
visitors say the room is "delightful"
we depend mostly on wood -
we hear there is much suffering
among the poor - and this
very cold spell must be hard
on them. I was sorry for your
dreadful fire - and trust we
