Dear Lloyd

You neglected to give me Mr Cumming's address. You will please write on receipt of this and let me know where he is to be found and at what point on the road to leave the cars. Do you know any thing of the land papers? and have you ever seen them. Chick was here yesterday and had to return last night for neither of us ^{knew} where to find Mr C. What did you do with the 1600\$ you found in Father's desk at Ellen's house? and has Mr Brown had her part of that?

Yours
E. G. Goldsborough
