MAKERS OF

IMPROVED SULKIES

MAJOLICA drew one of our sulkies when he made his record of 2:17, the fastest record made in the 5:00 class by a green horse. **MAXY COBB** made his fastest record, 2:18¼, drawing one of our sulkies; also, when driven to the fastest team record of 2:15¾, to skeleton wagon. The fastest running team record was also made with one of our 57-lb. skeleto wagons. All these vehicles are in good shape after miles of rough usage.
