***The January Sale of White
Opens the New Century***

SUPERB gatherings of Women's Muslin Underwear, made up
in daintiest and most tasteful styles—neat and practical, and
extremely low-priced garments, as well as the most refined
and most exquisitely trimmed pieces made in America. All at
prices far below their cost by other methods of making and distribu-
tion. Of these we shall have a special catalogue—ready as you
read—which will be mailed at your request.

There will be other special offerings of women's wear, as well
as linens, muslins, lace curtains, and other housekeeping goods that
enter into this great January movement, which interests housekeepers
from Maine to California. For complete news write to-day, to
