Every dealer who knows Foster's "Ideal" Spring Bed realizes this and sells it as the best that money can buy.

If you sleep on one you know that it is the best spring ever made. It's twice as deep as the ordinary spring, and our patent flexible centre frame holds each spring firmly, keeping it in an upright position at all times—absolutely preventing all buckling and lateral displacement. Each spring taking the weight placed directly upon it, keeps the body in a natural, easy position. Look for brass name plate "IDEAL" on the genuine.

Try One 30 Nights—Your Money Back if Not Satisfactory.

All wide-awake dealers sell them.

Our book, "The Ideal Way," sent on request.

I WAS
LIKE THIS

"I had a good head of hair until dandruff got in it. The first year it made my hair thin; the second year a bald spot appeared and the third year I was completely bald. I tried everything I could without getting relief. At last I sent for a treatment of DR. RHODES' DANDRUFF CURE and in six months my hair was back again and the dandruff and itching were all gone—but my photo tells the story stronger than words and it is but justice to let you use it—Look at it!" Mr. CARL V. SPONSLER is a noted musician of York, Pa.

DR. RHODES' DANDRUFF CURE

Is a Never-failing Remedy for Itching Scalps, Eczema, Scalp Sores, Falling Hair, Barber's Itch, Ring-worm, and all forms of dandruff. Purely on its merits it has outlived all other kinds of treatment, and is sold under a binding guarantee to cure. It makes hair grow; it makes it thick, glossy, and wavy.

GENTLEMEN:

Please accept my thanks for check just received by me as one of the winners in your prize hair growing contest, but I assure you I value the excellent results I have derived from the use of your Dandruff Cure (as but for its use I certainly would have been bald) much more than I value the prize. You may use my photos and testimonial for publication, and I will gladly answer all inquiries.

H. WESLEY WILLIAMS, Druggist.

LAKELAND, FLA., Dec. 30, 1899.

My hair is growing nicely and the dandruff is gone, and I think cured, and that alone is worth many times the price of the remedies to me. I have been recommending your treatment to nearly every one I meet.

MRS. H. N. HEBB.
