

THE ANGLE LAMP

"THE LIGHT
THAT
NEVER FAILS"

THE ANGLE LAMP CO.
76 PARK PLACE NEW YORK.

It seems almost incredible that any lamp could be good enough to take the place of gas and electricity on even terms, yet such is the case with The Angle Lamp. All over the country people are cutting out gas and electricity and replacing them with this lamp, not merely because it costs about one-tenth as much to maintain (cost is no object to some people), but beside being infinitely cheaper it is more brilliant and more reliable in the bargain. It is a revelation to every one who uses it, and simply demonstrates that the old-fashioned lamp was a barbarous contrivance. The Angle Lamp never smokes, smells or gives any trouble, is lighted and extinguished as easily as gas, and is the ideal light from every standpoint. Our Catalog Z shows all styles from \$1.80 up.
