Fourth dam, by a horse called Eclipse.
Fifth dam brought with him from Kentucky in 1832, by the late Mr. William Witt, of Spring Hill, Tenn.

Thompson's Traveler was by McMeens' Traveler (grandsire of Joe Bowers Jr. 2:18), out of a mare by Blackman's Sir Charles, thoroughbred son of Sir Charles, by Sir Archy.

The dam of this filly was a noted premium saddle mare and fast pacer.

Ethel B. was bred by W. H. Brown, of Spring Hill, Tenn. As a two-year-old she trotted a mile on my three-quarter mile track in exactly three minutes. She is a natural pacer.

Stinted to Tennessee Wilkes.

No. 75.

KATE BRADEN. Bay mare; foaled 1884. By Bay Tom, pacing record, 2:23, trial, 2:15.

Dam Lula Braden, dam of Joe Braden, pacing record, 2:15¾.

Kate Braden was bred by Messrs. A. N. Akin and E. F. Geers, of Columbia, Tenn., of whom I bought her. The pedigree of her sire has not been fully traced, but he appears to have been sired by a grandson or great grandson of Vermont Black Hawk and out of a pacing-bred mare.

No. 76.

LAUREL. Bay filly, black points, both hind heels white, 15½ hand high; foaled May 12, 1883. By Brown Hal.

First dam MYRTLE, by ENFIELD, 2:29.
Second dam MINETTE, by ERICSSON, four-year record, 2:30½, sire of Eric, four-year record, 2:28, and of four others in 2:30 list.
Third dam Minnie Clyde, by BRIGNOLI, 2:29¾.
Fourth dam, by Gano, sire of the dam of Lady Thorn, 2:18¼.
Fifth dam, by Potomac.
Sixth dam, by Baronet.

For notes on pedigree, see Myrtle No. 23.

Bred at Ewell Farm. Handsome, strong and fast. In training and not bred.

No. 77.

LIZZIE MOORE. Full sister to Little Brown Jug, 2:11¾, and to Brown Hal, 2:17½. Bay mare, 15 hands high, with star; foaled April 23, 1880. By Tom Hal.

First dam Lizzie, by John Netherland (pacer).
Second dam Blackie, by John Hal (saddle horse), son of John Eaton (thoroughbred).
Third dam Old March, by Young Conquerer, son of Lafayette.
Fourth dam the Conrad Hicks mare.

John Netherland by Taylor's Henry Hal, he by Kittrell's Tom Hal, grandsire of Brown Hal and Lizzie Moore.

John Hal has no Hal blood in him. His sire is thoroughbred; his dam Melinda, a fine saddle mare, by Whale, a horse brought from North Carolina by Geo. Reavis and claimed to be thoroughbred.

Young Conquerer's breeding is not yet satisfactorily traced.

Bred by R. H. Moore, Culleoka, Tenn. A natural pacer and saddle mare, with excellent natural trotting action.

PRODUCE.

1885—b. f., Reata, by Tennessee Wilkes.
1886—Missed.

Stinted to Tennessee Wilkes.

No. 78.

LULA BRADEN. Dam of Joe Braden, pacing record, 2:15¾. Black mare, with small star, 15 hands high; foaled about 1868.

This mare was bred by Sky Boyd, of Marbert P. O., Giles County, Tennessee, who also bred her son Joe Braden and sold both animals to Joe Braden, of Pulaski, Tenn. Boyd is a small farmer, careless as to the pedigrees of his horses and keeping no records. He knows positively that Lula Braden was by one of two stallions, half-brothers, the Frank Carter Traveler or the Brownlow Traveler (both sons of the old McMeens' Traveler, grandsire of Joe Bowers, 2:18), but cannot say by which one. Her
