MATTIE BETHEL. Brown or black mare, tan muzzle, 16 hands high. Bred by McCord C. Denton, Culleoka, Maury County, Tennessee; foaled in April, 1872. Sire, Moore's Slasher (pacer).

Dam, a pacer of unknown blood.

Mattie Bethel is a very fast pacer. Col. T. W. Keesee told me he had repeatedly timed her quarters in 33 seconds—a 2:12 gait—over Mr. Ed. Geers' half-mile track, and Mr. Geers said she had pulled him as fast as he had ever ridden. She had been stiffened by the use of heavy shoes in an attempt to make her trot, before coming into Mr. Geers' hands.

MOXY. Blue roan mare, 15¼ hands high; foaled 1883. By Tom Hal, sire of Little Brown Jug, 2:11¾, and of Brown Hal, 2:17½.

First dam Trix Esmond, by ERICSSON, four-year record, 2:30½.
Second dam, by Morgan Whip.

Third dam the old Hunt Premium Mare (twenty-nine premiums and never beaten in a show ring), by Scott's Highlander.
Fourth dam Fanny, by Brown's Highlander.
Fifth dam, by Bertrand.
Sixth dam Old Spot, by Hampton's Twig.
Seventh dam, by Imp. Bedford.

Trix Esmond is the dam of Mr. A. H. Robinson's filly Beatrix, that trotted my track, as a three-year-old-, in 2:34½, and as a four-year-old in 2:29. Her sire, Ericsson, had the best four-year record for fourteen years, has five colts in the 2:30 list, and is by Mambrino Chief, out of the grandam of Clark Chief.

Moxy was bred by W. and V. L. Polk, of whom I bought her.

No. 81.

QUEEN BESS. Bay mare, no white; foaled April, 1881. By Prince Pulaski, sire of Mattie Hunter, 2:12¾.

First dam Lizzie (dam of Brown Hal, 2:17½, and Little Brown Jug, 2:11¾), by John Netherland (pacer).
Second dam Blackie, by John Hal, son of John Eaton (thoroughbred).
Third dam Old March, by Young Conquerer, son of Lafayette.
Fourth dam, the Conrad Hicks mare.

Prince Pulaski (sire of Mattie Hunter, 2:12¾, and Ned Hunter, 2:23), was a very handsome chestnut, 16 hands high, a fine saddle horse and winner of many premiums. He was bought out of a government corral in Nashville at the close of the war, and his blood could never be traced. In appearance he strongly resembles the Travelers, but no kinship to them can be proved.

John Netherland, by Taylor's Henry Hal, son of Kittrell's Tom Hal. Gibson's Tom Hal, sire of Brown Hal, was also by Kittrell's Tom Hal.

John Hal had no Hal blood in him. His sire was undoubtedly a thoroughbred; his dam, Melinda, a fine saddle mare.

Young Conquerer's blood is untraced as yet.

Queen Bess was bred by R. H. Moore, breeder of Brown Hal and Little Brown Jug, and bought of him.

1886—ch. f., Chestnut Bell by Brown Trigham. (Sold.)

Stinted to Masker, No. 70.
