OUR LATEST AND BEST

LAWN MOWER

combines every improvement that nearly a score of years' experience as Lawn Mower Manufacturers can suggest, or mechanical skill devise.

For simplicity, durability, and quality of work, it is unequaled, while for lightness of draft it excels, by a large percentage, any other Lawn Mower made.

Our Lawn Mowers are the only ones having the Adjustable Split Bushing. This device compensates for the wear of the journals, thereby effecting a great saving in repairs.

We fully guarantee every claim we make, and are ready at any time to practically demonstrate the truth of our assertions.
