

**Sure Cure for Sprung Knees and Cockled Ankles.**

The tremendous success of Sparkhall's Specific is the best evidence that it accomplishes all that its manufacturer claims, and among other remedial virtues it possesses is the speedy and permanent relief of rheumatism, stiffness and soreness of the cords and muscles of the horse. It also effects a permanent cure of sprung knees and cockled ankles, quickly strengthening them and bringing them into a normal condition.

If we should relate all the cures that have been made by its use it would fill a book and make a volume in the history of equines that would become a curiosity in the great American Archives. Price, \$2.00 per quart bottle. For list of agents, see advertisement. It is also supplied by the proprietor and manufacturer,

J. BLACKWOOD,  
36 First St., Detroit, Mich., and Windsor.

The Esterbrook Steel Pen Co., 26 John street, New York, are offering \$1,000.00 in prizes for poems on Esterbrook's pens. Send them postal for circulars explaining.

**Cannot Do Without It.**

Mr. T. C. Ward, a prominent horseman at York, Pa., writes under date of October 26th as follows: "Send one bottle of Quinn's Ointment. I am entirely out and always want some in my stable. It is the best thing on earth for what you claim it will do."

Mr. H. H. Clark of Fredonia, N. Y., writes, Nov. 21st, "The bottle of Quinn's Ointment purchased from you about two years ago removed a curb and thoroughpin and did it for good. My horse's leg is as smooth as ever."

For curbs, splints, spavins, windpuffs and all bunches, Quinn's Ointment has no equal. Trial box, 25 cents, silver or stamps. Regular size, \$1.50, delivered. Address W. B. Eddy & Co., Whitehall, N. Y.

LOWELL, MICH., Nov. 4th, 1892.

*Newton Horse Remedy Co., Toledo, Ohio:*

GENTLEMEN:—Please send by express one dozen cans of your Heave, Cough, Distemper and Indigestion Cure. We think it is going to prove itself a great medicine; so far we are satisfied with it.

Yours, etc., FORMAN & ALDRICH.

**The Toomey Sulky.**

We submit for careful consideration, a few interesting points and advantages claimed for the latest improved entire pneumatic tire, ball bearing, truss axle sulky, manufactured by S. Toomey & Co., called "The Two-minute Bike." The great strength of the truss construction; the very latest in ball bearings specially designed for this particular sulky; wheel guards attached and solid steel forged; and, above all, that bobbing up and down motion so common in all other sulkies, is entirely overcome in their Two-minute Bike. They have been tested by several well-known turf authorities. Mr. Ed. Geers says it is the most motionless sulky he ever used. Their goods have been founded on merit and 50 years' experience in the business and reputation for first-class work.

They also manufacture a pneumatic-tired, with ball bearing axles, skeleton wagon. It is the finest four-wheeled vehicle we have ever seen. The fame of the Toomey sulkies is known even in Europe, they having recently filled orders for German and Austrian buyers. They have a fine trade in Russia, Australia and South America and various other countries where the trotting is a recognized sport. The manufacturers of the "Toomey" have also received several hundred orders from prominent horsemen of this country for their sulky, to be made up during the winter months for early spring delivery. They are always keeping abreast with the advancement of the trotter, and are having several other experiments under way, and neither time, labor nor expense will be spared to keep the "Toomey" at the head where it has been for many years past. All inquiries pertaining to the new sulky will be cheerfully and promptly answered.

It seems to be a solid fact that Bonner's Horse Cleaner has come to stay.

It has taken its place in the best barns in the world.

It is truly one of the new ideas that is in keeping with the rest of the world-famed record breaking.

It removes dandruff and dirt, leaves the skin white and soft, keeps the hair like silk; cures mange; takes less than one-half your time to groom your horse. If it gives the best horsemen in the country satisfaction it will do the same for you.

Address Toledo Specialty Co. They will send you a booklet free.

*From the Walnut Grove Stock Farm.*

CADIZ, O., Nov. 3, 1892.

Toledo Specialty Co., Toledo, O.:

Gentlemen,—We are using "Bonner's Horse Cleaner." The boys will not leave it in the can. We like it very much. Respectfully yours,

WALTER CRAIG & SON.

*Livery Stable with Twelve Fine Horses.*

GRANDVILLE, O.

Toledo Specialty Co., Toledo, O.:

Gentlemen,—I am more than pleased with "Bonner's Horse Cleaner." Have used it this season exclusively. Have no use for comb or brush. Have twelve head of horses. I have used three quart cans of Cleaner. Will say it will keep horses from fading out in the summer time. I have a pair of black horses that always faded out in summer, but they are as black as jet this summer. Nothing else to lay it to only Bonner's Horse Cleaner. In short, it is perfect in every point.

Yours truly,

WILL. CLEMONS.

**QUEEN & CRESCENT ROUTE.**

Through Sleeping Car to Asheville, N. C.

A sleeping car leaves Cincinnati daily at 8:30 P. M., running via Harriman, arriving in Knoxville 7:55 A. M., Hot Springs 12:39 P. M., and Asheville 2:20 P. M.
