We desire to make a Grand Premium Offer in 1893, that will make every horseman in America subscribe for this magazine, and to this end we offer valuable cash prizes for suggestions for premiums to be given free to subscribers. For the best suggested idea accepted we will pay \$50.00 cash, for the second best \$25.00, for the third \$15.00, and ten dollars for every idea accepted.

## FOR IDEAS

as to what would be the most acceptable and attractive premium to give with the *AMERICAN HORSE MONTHLY* to our subscribers for 1893, we will give **MONEY PRIZES** to those whose suggestions we accept. In making your suggestions remember the subscription price is one dollar and that this amount includes the premium. If you do not give us the best idea you may perhaps give us one we will accept and get \$10.00 for your trouble.
