THE PEERLESS CRIBBING PLATE

Has proven itself entirely successful. The cost of Plate is made up in one month's time in feed saved. Plate is easily applied. Don't interfere with eating. Not visible. Causes no soreness of gums. Will cure the most confirmed Cribber. Horse ought not be less than four years old to apply it properly. In ordering a Plate measure with a piece of tape from the outside of the corner tooth to corner tooth, and enclose the same in letter. Plate will be sent with full instructions to apply on receipt of $5.00. Apply for particulars or Catalogue.
