

Mar 11. 74

You will read the Copy of the letter
of Mr Clement of Feb 18th 1874
acknowledging the receipt of the
Check I sent him the Original
I will send if it is wanted for
any special purpose — I
also enclose you letter from Mr
Roberts — all I want you to do
is to attend to your affairs — and
do the Farmer in a skillful
manner as you know how — and push
your work and not be behind
your neighbors in any thing — pay
as you go and save money to buy
the Farm for yourself and Family
this is not asking much nor is
it much for you to do particularly
when you have nothing to pay but the
Taxes and keep up the Stock — allowing
nothing to diminish — I will come down
as soon as the roads are good
