

is to sell out but the property  
go into other hands - the same  
break as the case called conduct  
of the former - nothing else will  
Besides, the property was  
sell for an amount to give  
an amount much better than  
the present proceeds, which  
Party will be growing less &  
less, for with such long standing  
the property grows more &  
more. I tell you plainly  
that you ought to consent  
to take it in and save  
to urge this selling of every  
article of it - I have not  
just better advice for the best  
interests of the King. -  
We have come to meet every  
kind of trespass - all damage  
case - but the parties opposing  
must be caught - must be  
informed on - I wish the  
King, his title, trouble - the  
Tenants often pray as last  
or other rat living on the land  
I want watching themselves -

It is but lately that I was credibly  
informed I apprehend the shipboard  
had been selling timber to one  
of the Saw Mills near by - some  
of the best trees - I had but a Part  
summed before my of course my  
Charge known - Both Corpe  
to the fact I apprehend I would  
and I wrote all my displeasur  
that Works cease and I want to an  
both parties and I take Happen  
to go at once I sent another Part  
ful the cease but stay this time  
if the same should stay idle -  
This he is going to do, but  
I will pass to show any other  
I is as Cracked as he was can  
be - I don't know that I  
shall be able to get a Denial  
at all for it for they are hard  
to find if I do not, I don't  
know that I shall better an  
Case any for the Denial than  
I would a great bigon than in  
this latter times. - Do try to  
get rid of the Estate & sell it  
but put it in - By Jay Respected
