

John
Auld

I also certify that I have for the Plaintiff laid down a place descri-
bed on the plat by the black letter K shewn to me by John
Auld who says he has always understood said place to be the
mouth of Hambletons Creek ever since he can remember
thirty years ago and upwards and he the said Auld says
he has waded across said Creeks mouth where he now
shews - And also Francis Sinclair says that he has
always understood that the afo^d place where the said Auld
shews was the mouth of Hambletons Creek and that
he the said Sinclair says he has seen the Creek more
thⁿ almost bear - The afo^d place at black K is not
admitted by the Defendant - but he admits from the
red letter A to black J & to black W to be the bearings
of Hambletons Creek.

I further certify that I have by the directions of the
Plaintiff noted a place at the black letter F on the plat
which said place is admitted by both Parties to be the head of
Swan Creek - and the said Creek bears about N 1/2 W. to
wards the mouth thereof.
