

I further certify that by the directions of the Defendant
I have laid down the afo. Elliotts Folly in a manner
differing from each of the locations given it by the Plaintiff
Beginning at an old Walnut stump as in the Plaintiffs
Location (at the black letter B on the Plat) then with
the red line to the second boundary of the Beech at black
A then with the red drawn line S.W. to Witherington at
red figure 1 then with Withering 75 p. to the red figure 2
then with the red drawn line N 28. 45 E. to the land
of William Hambleton and with his land to make
214 p., the distance required in the Cert. of said Elliotts Folly
(at red fig. 3) then straight to the beginning containing by
this location 100 $\frac{1}{4}$ acres.

Elliotts
Folly

BA 123

I further certify that by the directions of the defendant
I have ascertained the quantity contained in each of the
locations given Elliotts Folly by the Plaintiff, and find
it to contain by the first, that is by the black drawn
lines 125 $\frac{1}{4}$ acres and by the second location that is by
the black dotted lines 176 $\frac{1}{2}$ acres.
