

to deposit in Ball & the Capt  
Spent & used the money —  
The other note he had sold  
property & held Bonds of  
parties that would be duly  
in the spring — I wrote him  
asking if he would assign  
the Bonds as security  
and have had no reply  
since. — I try and work  
on him to get the kind  
of security if you can &  
make the money soon as  
possible — We are in  
the middle of hard times  
now — For your prompt-  
ness in sending OK I  
am much obliged &  
will send you all the  
business in this quarter  
if you can —

Yours  
E. J. Kimball
