

beg him that I had entrusted the
matter to you as a lawyer, he will
settle without further delay or re-
gaining me to go before a Justice
of the Peace and swear to the ap.
If he does not however, be good

the ap in proper form for legal
collection, and you shall soon
hear from me again. Remember
me kindly to all of our old mutual
College friends in your County,
and believe me

Very truly

who made me their agent for the

sale of tickets. He never paid for them,
and thereby robbed the Southern widow
& orphan of so much. I think it but

his meanness, and therefore added on
the bill to his bill at the rate allowed
