

Dear Sir,

23^d March 1811

I have the satisfaction to inform you, that I have it at length in my power to take up my note to the late Mr. Betton, by discharging the balance due on it. According to my calculation, it will amount on the 4th of next month to £84..16..1³/₄, or \$226-15. — It would give me pleasure to wait on you with the money; but from the present situation of my family, I fear it will not be in my power to do so in any short time. Perhaps you will yourself have a call up this way ere long; or can with convenience to your Son, send him up with the note. — With great esteem & regard, I am, Dr Sir,

Your obed^t serv^t

Rob^t Smith
