Dear Sir:

Inclosed I send a Check for 96 dollars 75 cents, balance due for wages of Martin and Wilson, which I hope will be found right.

I keep Wilson, for my brother's use for next year at \$55 dollars — and, if Perry should not be engaged will take him also at same rate. I applied to Mr. Rowlenson respecting him but he could not give an answer until after hearing from you —

Very respectfully

Your obed^t. Serv^t.
