

We are on such terms - The intimate
unconstrained intercourse with
such a woman is a great advan-
tage as well as pleasure to a man,
especially a lonely one. We had
a terrible storm on Tuesday, & it
is raining again. Twenty people
left this morning, more this
afternoon, & except no new ar-
rivals. I am glad I am going, for
I think it is a cold giving place
such weather. The Bird party
left last week. He had a gay
time. I have heard various stories
about Mrs B. She is fearfully ner-
vous & excitable, & the thinnest
person I ever saw. Seems genial.
There is a party of Charlestonians
here. They have been very uneasy,
but the authentic accounts are
much modified. These sen-
