

you will accept of the cloth I wrote you about I
think you will find they will fit and I can
send them by Margaret. The cholera has abated
some little but still continues pretty bad.
I wrote my second letter ~~bearing~~ my first
was not been received. Our little Boy still
continues delicate Margaret and Louis
turn him a little way down the Delaware
yesterday the Doc^t advising it. I think he is
better to day. Louis Margaret and the child
are joining me in affectionate love to you.
